Re: Withdrawal of Formal Complaint 00-FC-42.

Dear Mr. Prusynski:

This letter serves to formalize your withdrawal of the above-referenced complaint against the Hobart Police Department. You filed your complaint on December 8, 2000, and withdrew that complaint, via e-mail message, on December 12, 2000. Copies of your notice of withdrawal and this letter are being provided to Chief Ronald Taylor of the Department.

You had alleged in your formal complaint that the Department had not responded to your written request, which was hand-delivered on December 6, 2000, for access to a copy of a certain procedural manual in a timely manner. After getting no response to this request within twenty-four (24) hours as required under Indiana Code section 5-14-3-9, you filed your formal complaint. My staff attorney, Sandra Barger then called Chief Taylor and he informed her that he had a telephone conversation with you, but had not received the hand-delivered request. After you contacted the mayor's office about this matter, Chief Taylor apparently agreed to make a copy of the manual available to you, but you had not yet picked it up. During that conversation with Ms. Barger, Chief Taylor again agreed to provide you with a copy. You have now obtained a copy of the manual and, consequently, have withdrawn your complaint.

If you have any questions, please let me know.

Sincerely,

Anne Mullin O'Connor
